## Did You Survive The Storms?

Our meeting will provide an opportunity to share all our storm stories. Hopefully, the worst is over for this year.

## New Florida

We have finished filming the information for the program, New Florida. The segment on Los Floridanos will air either October 7th, or October 14<sup>th</sup> on PBS stations in Jacksonville, Gainesville, Orlando, Tampa, and Tallahassee. At the time of this notice, I don't have the times. You will need to call your local station and find out the scheduled time for your location. We will have more information to deliver at the meeting.
